The JEE (Advanced) 2019 was conducted successfully with conspicuous changes in the examination system. It was conducted flawlessly and error free with several new features introduced. The successful conduct of JEE (Advanced) 2019 would not have been possible without the active and unconditional support from Joint Admission Board (JAB) members, Joint Implementation Committee (JIC) members, our colleagues and many other officials in the IIT system. JAB Chairman for JEE (Advanced) 2019, Professor Ajit K. Performance in Class XII (or equivalent) examination

1) The candidates should satisfy at least one of the following two criteria for admission to IITs:

   Must have secured at least 75% aggregate marks in the Class XII (or equivalent) Board examination. The aggregate marks for SC, ST and PwD candidates should be at least 65%.

   Must be within the category-wise top 20 percentile of successful candidates in their respective Class XII (or equivalent) board examination.

   The percentile calculation will be done for the required subjects in a single academic year only. Therefore, candidates appearing for improvement in Board examinations can EITHER appear in one or more subjects and secure 75% aggregate marks (65% for SC, ST and PwD) after improvement, OR, appear for improvement in ALL subjects to be in top 20 percentile (see section titled "Regarding the cut-off marks for the top 20 percentile") of the corresponding academic year.

2) The marks scored in the following five subjects will be considered for calculating the aggregate marks and the cut-off marks for fulfilling the top 20 percentile criterion.

   Physics

   Chemistry

   Mathematics

   A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)

   Any subject other than the above four (the subject with the highest marks will be considered).

3) For calculation of the total marks for five subjects, if the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 500.

4) If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the Joint Implementation Committee of JEE (Advanced) 2019 will be final.

5) In case any of the subjects Physics, Chemistry, Mathematics and Language are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year/s will be used for calculating percentage of aggregate marks.

6) For candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2018 and reappeared in ALL subjects (for whatsoever reason) in 2019, the best of the two performances will be considered.

7) If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then only the marks scored in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.

8) If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.

9) The criteria, as specified above, is applicable “in toto” to all the candidates including foreign nationals.

Regarding the cut-off marks for the top 20 percentile

1) The category-wise cut-off marks for the top 20 percentile are calculated based on the marks scored by the candidates who pass in their respective boards in the particular year.
2) The cut-off marks for PwD candidates will be the same as the lowest of the cut-off marks for GEN, GEN-EWS, OBC-NCL, SC and ST categories.
3) It is reiterated that top 20 percentile cut-off for the academic year 2019 will be considered for the candidates who pass the Class XII (or equivalent) examination in 2019.
4) Similarly, top 20 percentile cut-off for the academic year 2018 will be considered for the candidates who pass the Class XII (or equivalent) examination in 2018.
5) Candidates who appeared in Class XII (or equivalent) examination for the first time in 2018 and wish to (or have to) reappear in 2019 with the objective to qualify through top 20 percentile cut-off criteria, should reappear in all the subjects. For such candidates, top 20 percentile cut-off for 2019 will be considered.
6) In case a Board does not provide information about the cut-off for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then the cut-off marks, in the respective categories, for the CBSE will be used.

Regarding the aggregate marks of 75% (or 65% for SC, ST and PwD)

1) The aggregate marks scored by the candidate in the 2019 Class XII (or equivalent) Board examination will be considered for candidates who pass the Class XII examination in 2019.
2) The aggregate marks scored by the candidate in the 2018 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2019 in any of the subjects.
3) If a candidate has passed his/her Class XII (or equivalent) in 2018 and wishes to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2018 or 2019, whichever is higher, in the respective subjects, in his/her two attempts in 2018 and 2019.
