Enquiry no.: 4i-Lab/2012-13/02

Enquiry Date: 25/05/2012
Closing date: 4/6/2012

Sealed quotations should reach the undersigned latest by 12.00 noon on June 4, 2012 for a 5-axis CNC machine with following specifications.

Description

- Benchtop 5-axis milling machine with linear guides for prototyping purposes
- Trunnion table
- At least 6-axis controller
- All-in-One computer with appropriate easy-to-use software
- Programmable digital readout with color LCD monitor
- Automatic 8-station tool changer with tool sensor probe
- Capability to cut titanium
- High speed milling

Service features

Warranty period and time of delivery should be clearly mentioned in quotation. Standard accessories, which are required to run the machine, must be included in the quotation. The quotation should include the cost of operating software (if any) required to run the product. Packaging, loading, unloading, and commissioning charges should be included in quotation. You are requested to submit your quotation in sealed envelope with complete product description, technical literature, price, warranty period, delivery time and other conditions by June 4, 2012.
