INDIAN INSTITUTE OF TECHNOLOGY KANPUR  
DEPARTMENT OF CIVIL ENGINEERING

Sudhir Misra  
Professor & Faculty-In-Charge  
STRUCTURAL ENGINEERING LABORATORY

PO. IIT KANPUR-208016 (UP), INDIA

05 June 2015

*Enquiry no. CE/STR/2014-15/Jun/04*

Sealed quotations are invited for the supply of two special comparators and special plastic moulds for autogenous shrinkage measurement in the laboratory, with other accessories. The main purpose of this comparator is to measure the expansion of cement based materials (cement pastes and mortars) at their plastic state (wet condition) from a few hours after water is added to cement to until 48 hours. It shall be emphasized that the comparators, plastic moulds and other accessories should be strictly in accordance with the ASTM C 1698

Kindly send your offer (Original, Signed with the name of signing authority) in a sealed envelope, for the above items mentioning the following:

1. Cost of the item including installation charges with technical specifications in detail
2. Freight, packing etc. charges
3. Warranty period; Delivery time
4. Educational discount considering usage for teaching and research
5. Payment terms
6. Any other relevant details

An early reply latest by 19 June 2015 will be highly appreciated. For any further information/clarifications in this regard, please write back to us at [vindwi@iitk.ac.in](mailto:vindwi@iitk.ac.in).

Thanking you...

Sincerely

Sudhir Misra
